BLAKE

DVD ONE

MASTERCLASS

If anything, Anthony Blake points out, it is in his great management of two of the most used techniques in his shows: The Swami Gimmick and the Center Tear.

Blake offers us a fascinating Master Class on each one of them.

SWAMI GIMMICK

In this section, Blake talk about its handling, routine, ideas, subtleties ... going through the different models and everything you need to know about this gimmick, to create true miracles.

CENTER TEAR

In addition to showing some classic versions, Blake shows us his own version on this very important technique, with detailed explanations.

Anthony Blake cannot walk the streets
of Spain without crowds calling out BLAKE....BLAKE.

He is not only a brilliant creator and artist,
but understands what we can call the science of Mentalism.

And to see his show or appearances is illuminating and in its
presentation - earth shattering. To learn from him is to
have your eyes reopened.
